

Activity 2-4:

Recognize the Original Human Companions of the Land

The park I have chosen is on the homelands of the [write the names of the Native people(s)]:

Europeans asserted ownership over the land and attempted to dislodge the Native people through these treaties, actions, and policies:

Find some plants or animals in the park that were known by Native peoples. What name did they know them by? What gifts did they receive from them? How did they care for them in response to these gifts?

Plant/animal

Native name

Gifts

Describe some of the characters in the stories of the Native people and/or briefly tell one of the stories.
